

THE IEEE INTERNATIONAL CONFERENCE ON IMAGE PROCESSING

14-17 SEPTEMBER 2025

Imaging in the Age of GenAI

INDUSTRY EXPERT TALKS: CALL FOR PRESENTATIONS

The IEEE ICIP 2025 Organizing Committee is soliciting presentation proposals for the “Industry Expert Talks” event that will be held during the conference (September 14 – 17, 2025). The proposals shall target the state of the art of industry topics and applications trends of image/video processing and computer vision technologies. Each presentation will be given 30 minutes of oral presentation time including a Q&A of about 5 minutes.

Experts and leaders are invited to submit their proposal for giving such a talk related to the use of image & video processing and computer vision in industry and practical applications in either one of the following three formats:

- General overview of one technology area; or
- In-depth treatment of one specific technical issue; or
- Special focus on standardization and deployment challenges.

Meanwhile, the presentation is also welcome to include a very brief introduction of your organization’s current research and development. Industry expert presentation sessions will be very attractive to the attendees, but the space is limited.

Proposal Information

Each proposal must include the following:

- Title: A short descriptive title of the presentation
- Description: Summary of the presentation (describe in around words the proposed presentation in terms of its relevance and attractiveness to ICIP, technical contents, novelty, inspirations, and motivations to the audience)
- Presenter’s brief bio including name, affiliation, contact information, etc.,.

The proposal will be considered and selected based on its novelty, significance, and interests of the ICIP community as well as the credentials of the speakers.

The presentation is to be given on-site.

Please note that you will need to register at ICIP 2025 in order to present your talk.

Submission Instructions:

Proposals should be submitted through the online form, below. Inquiries should be sent via e-mail to the Industry Program Co-Chairs: industryprogram@2025.ieeeicip.org.

IMPORTANT INDUSTRY INNOVATIONS FORUMS DATES

Event	Date
Industry Expert Talks Submission Deadline	16 April 2025
Industry Expert Talks Acceptance Notification	23 April 2025
